Spring is coming!

We would like to send out a welcome back to all our returning campers and a big welcome to our new campers for the 2021 season. We wish you the best camping season.

It is February and we are starting to think about camping again! The days are getting longer and the temperatures will get warmer. We have beautiful blue skies and camping is only a few months away.

We are really looking forward to seeing everyone again this spring. We hope you are having a good winter. Some of the things we are starting to look forward to are campfires, relaxing in the sun, kayaking, canoeing, waterskiing, fishing, boating, visiting with friends and family time!!

Referrals

We have decided that we will be extending our referral offer until the end of this year. We will be offering a \$200 credit to anyone referring someone to Green Acres. If you refer someone to the park and they take a site you will have a credit of \$200 towards your spring payment in April. If you have any questions regarding this please email us at itsfun@campinggreenacres.com
