

# Green Acres Newsletter

May 2025

## SUMMER EVENTS

We will start our year off with a Dance on May 18, 2025, in the evening.

Kid's Crafts is back again and will start on June 21<sup>st</sup>!

There is a complete list of events on the last page of this newsletter and posted on the bulletin boards in the Breezeway and at the Seasonal Gate as soon as possible. You will also be able to find the calendar on our website at [www.campinggreenacres.com](http://www.campinggreenacres.com) by clicking on Activities and adjusting the month you wish to see.

If there will be more events added to this list, we will get them posted on the bulletin boards and the website calendar as soon as possible,

Enjoy your  
summer!!

Spring is showing its face everywhere now! It's great to see the leaves popping out on the trees and the grass getting green.

We now have the docks in place for your boats. Please remember that we do not assign boat slips. Please be courteous when parking your boat.

The power, water and sewer are now on through the park.

### Overflow Camping

The overflow will be available from July long weekend through the September long weekend. We can only have a maximum of 10 trailers up there so be sure to book early. We have started taking bookings for the overflow area. Payment must be made at time of booking.

### Gate Codes

Please remember that you need to use your code to enter **AND** exit the park, even when the gate arms are up. The gate system is a round circuit. If you do not sign out the computer will not allow you back in the park.

**Please do not give your gate codes out to visitors.**

**Your envelopes are ready for pick up.**

**Please pick up your new 2025 stickers and vehicle tags when you come in the park!**

### Kid's Crafts

We will be having Kid's Crafts again this year! The kids have such a great time, and the crafts are amazing. If you want to see examples, come up to the office and look at some of them.

## Office Hours

For May long weekend we will be open from 10-6 Friday, Saturday, and Sunday

From May 19 till June 22, we will be open from 10-2 Monday through Thursday and 10-4 Friday - Sunday

Beginning June 23, we will be open from 10-4 Sunday through Thursday and 10-6 Fridays and Saturdays.

## Things to remember!

April 1<sup>st</sup> is always very busy in the office, and not everyone is asked if they want to pay for their boat/golf cart at that time. If you have not yet paid for your boat or golf cart, please be sure to do that so we can give you your 2025 boat or golf cart tags. Tags **MUST** go on your boat trailer on the front hitch area and the boat. The tag must be visible on your golf cart.

Dogs must be always on a leash while in the park. We do not have an off-leash area in the park. We have had issues with dogs when they are allowed off the leash to run in the back of the park in the bush and/or paths. **PLEASE KEEP YOUR DOG ON LEASH AT ALL TIMES.**

Please remember that the speed limit in the park is **15 km/hr**. This is for all vehicles including golf carts, bicycles, e-scooters, and e-bikes. Speed is dangerous for everyone, but our young children do not watch for cars or bikes before running out from in between vehicles. Please drive with care.

Green Acres does not allow skateboards in the park because of damage they do and have caused to the Garth Memorial Bridge. If you want to skateboard, please do so out of the park.

Quiet time in the park is 11 pm. Please be courteous to your neighbours! Some campers go to bed earlier than others or have children trying to sleep. Please keep the noise level to a minimum so they can rest or sleep.

## To the book lovers!

If you love to read, we have many books in the office that you can take down and relax while you're enjoying the sun! If you have a book to exchange that is great!
